# "EXCELSIOR FRESCO STENCILS"

## *To the Trade*

**D**EAR SIR:—We manufacture and carry in stock all Stencils contained in this book and orders will be filled immediately, therefore no delay in shipping.

The Stencils contained herein have been reduced by photography from the original full-sized designs to exactly one-twelfth; on those cuts where size is not given, it can be easily ascertained by measuring same.

Any Stencil can be enlarged or reduced per special order and will cost about double the price.

Our Stencils are cut out of the best oiled Manila Star Stencil Paper. Stencil designs in black on stencil paper, ready for cutting, at half price.

Our terms are strictly cash, in advance or C. O. D., and no orders will be sent in any other way. For those goods wanted forwarded by mail, add ten cents extra on the dollar to pay Postage. All shipping charges are payable by the receiver of goods. Also the charges for return of money on C. O. D. shipments.

Remittances should be made by Post Office or Express Money Order, or goods will be sent C. O. D. U. S. Postal Stamps accepted on small orders.

Do not mutilate this book; put it with your catalogue and keep the same for your convenience.

When remittances are made by checks not drawn on a Chicago or New York Bank, 10c must be added to cover exchange and cost of collection.

Thanking you for past favors and soliciting a continuance of your esteemed patronage, we are

Respectfully yours,

**GEO. E. WATSON CO.**

## "EXCELSIOR FRESCO STENCILS"

**T**HE stencils shown in this catalogue are intended principally for wall decoration but there are many designs among the beadings and borders that can be used for stenciling curtains, portiers, table covers, etc., as well as the walls, and in that way enabling the user to carry out a uniform and harmonious scheme of decoration throughout the entire room.

Now a word about the stencils themselves. The designs are rather simple yet very artistic and in good style. They were designed by an expert decorator of many years experience in this and foreign countries, and the selection we present gives a wide assortment so as to satisfy the individual taste of the greatest possible number of people. The stencils are made of heavy weight specially prepared stencil paper, very tough and thoroughly oiled and seasoned; with proper care they can be repeatedly used, making them very economical for the professional decorator who can use the same design over and over again, likewise making them very satisfactory for the amateur, who until he or she becomes accustomed to handling the stencil is liable to damage it, if not of the most durable kind.
